

What Good

Bronze Radio Return

What good is a microphone?
When your words, you still don't own
What good is this telephone?

If no one calls to say come homeSo what good good good is good for?

I don't know, I don't know it doesn't mean much
And it should should should be the right more
I don't know, I don't know it doesn't take much

To come loose, oh man
What's the good now?[Chorus:]

Oh oh, what good
Oh oh, what good

What's the use?What good is a fancy school?

If you leave broke and no one hires you
What good is the golden rule?
If you treat others like you do

And no one treats you like it tooSo what good good good is good for?

I don't know, I don't know it doesn't mean much
And it should should should be right more
I don't know, I don't know it doesn't take much

To come loose, oh man
What's the good, what's the use[Chorus:]
Oh oh, what good
Oh oh, what good
What's the use?
