Secret & Whisper

Stormy and windy night
Reminds me of you tonight
Wild and fragile
You know the city where I come from
(the city where I come from)
The secrets I'm never telling anyoneMachinery, Don't fail on me
I'm fixing these things
As they're falling apartShe's Drawing X and O's
Into her pantyhose
You know the city where I come from
(the city where I come from)
The secrets I'm never telling anyoneMachinery, Don't fail on me
I'm fixing these things
As they're falling apartWe were walking to the corner store
When she'd cry, and start to hide
We were talking 'bout the dinosaurs
And how they died, and how they diedMachinery, Don't fail on me
I'm fixing these things
As they're falling apartMachinery, Don't fail on me
I'm fixing these things
As they're falling apart
