Bad Connection

Everclear

Morning, this morning the curtains are shut
I'd ring you in the morning but the phone's been cut
Can you hear me, I've been calling all day?
Can you hear me?
The radio reporter said the line's all dead
He told me that I oughta write a letter instead
Can you hear me, I've been calling all day?
Can you hear me?
Yes, I'd wish they'd fix the wires 'cause my baby don't know
That I'm leaving in the morning and I'm ready to go
Can you hear me, can you hear me at all?
Gotta get the operator make a telephone call
If I write a letter it won't get there in time
I'll only reach you, baby, on the telephone line
Can you hear me, I've been calling all day?
Can you hear me?
My car's all ready and my bags are all packed
I'm late already and I won't be back
Can you hear me, I've been calling all day?
Can you hear me?
I'd wish they'd fix the wires 'cause my baby don't know
That I'm leaving in the morning and I'm ready to go
Can you hear me, can you hear me at all?
Gotta get the operator make a telephone call
I'd wish they'd fix the wires 'cause my baby don't know
That I'm leaving in the morning and I'm ready to go
Can you hear me, can you hear me at all?
Gotta get the operator make a telephone call
I'd wish they'd fix the wires 'cause my baby don't know
That I'm leaving in the morning and I'm ready to go
Can you hear me, can you hear me at all?
Gotta get the operator make a telephone call
Telephone call, telephone call, telephone call
Can you hear me at all?
Oh, Can you hear me at all?
Can you hear me at all?
Can you hear me at all?
Oh, can you hear me at all?
