Calling In Silence

Chelsea Grin

I am the answer to the calling deity
My master ordered thee
I am but a shadow of the man I used to be
I used to be alive
The touch of my skin is cold like the winter wind
My gaze is black and as dark as sin
I am but a shadow of mankind
I am wicked
I am a creature; taunt me and you will see what hell made me
My wrath will be the fall of all holiness
What, what have I become?
This, this is what I am

So dark and cold; a hollow soul
So dark and cold; I am alone
Alone (x6); I am so cold
Why am I so cold?
The blood flows through
My pain consumes
I am the answer to the calling in silence
Calling in silence
No; this can't be me
No; what's become of me?
No; Salvation is my only key
What, what's become of me?
