

# Crash & Burn

## Busted

You're so fit and you know it  
And I only dream of you  
'Cause my life's such a bitch  
But you can change it  
And maybe you need  
Somebody just like me  
Don't turn me down  
'Cause I've got no car and I got no money  
I asked you to dance at the disco but you said no  
The whole world was watching and laughing  
On the day that I crashed and burned at your feet  
Since the day you dissed me  
I'm feeling so pathetic  
'Cause the guys, well, they've ditched me  
And it's all because of  
You and your friends are laughing at me now  
If you think that I'm nothing  
Ask your sister what you're missing  
I asked you to dance at the disco but you said no  
The whole world was watching and laughing  
On the day that I crashed and burned at your feet  
Or maybe you think that you're too good for me  
Tonight when you get home you're gonna see  
I know, I've got something better than you, baby  
I asked you to dance at the disco but you said no  
The whole world was watching and laughing  
On the day that I  
Asked you to dance at the disco but you said no  
The whole world was watching and laughing  
On the day that I crashed and burned at your feet
