

# She's So Mean

## Matchbox 20

I kn-kn-know a girl  
she gets what she wants, all the time  
'cos shes fine,  
but for an angle she a Hot Hot mess  
Makes you so blind but you dont mind  
'cos shes an uptown, get-around, anything goes girl(girl)  
She's a hardcore, candy-store give me some more girl(girl)  
She'll make you taker to the club, but then she leaves with her friends  
she likes to stay late at the party 'cos the fun never ends  
And all her cloths are on the floor,  
and all your records are scratched  
she's like one-way ticket cos you come back.  
Sayin' hay and you want, her but she's so mean  
(You'll never let her go, why dont you let her go?)  
yeah you want, her but she's so mean  
(You'll never let her go, why dont you let her go?)  
You kn-kn-know that if you dont shut your mouth  
she'll freek out (OW!)  
You better get your shit together cos shes bringing it down now  
Yeah boy, you better, you better  
'cos shes an uptown, get-around, anything goes girl(girl)  
She's a hardcore, candy-store give me some more girl(girl)

She's got a wicked sense of humor can belive what she says,  
She drinks bicardi in the morning till it goes to hear head  
and all you want is just to hold her but she dont go for that  
she has a hard time coming when she cant get back  
Sayin? yeah, and you want her, but she?s so mean  
(You?ll never let her go, why don?t you let her go?)  
Yeah, and you want her, but she?s so mean  
(You?ll never let her go, why don?t you let her go?)

Every now and then she makes you just a little bit crazy  
She?ll turn the knife into your back and then she?s calling you "baby"  
Crazy-----

She?ll make you take her to the club, but then she leaves with her friends  
She likes to stay late at the party cause the fun never ends  
And all her clothes are on the floor, and all your records are scratched

She's like a one-way ticket cause you can't come back

Sayin' yeah, and you want her

But she's so mean

(You'll never let her go, why don't you let her go?)

Yeah man you know that you want her

But she's so mean

(You'll never let her go, why don't you let her go?)

Yeah man you know that you want her, Yeah, you want her

Yeah, I know how you want her, but she's so mean

(You'll never let her go, why don't you let her go?)
