

Love Is Gone (Original Mix) (feat. Chris Willis)

David Guetta

Now that the love is gone! What are we supposed to do
After all that we've been through
When everything that felt so right is wrong
Now that the love is gone? Love is gone What are we supposed to do
After all that we've been through
When everything that felt so right is wrong
Now that the love is gone?
There is nothing left to prove
No use to deny this simple truth
Can't find the reason to keep holding on
Now that the love is gone, love is gone Now that the love is gone, what felt so right's so wrong
Now that the love is gone I feel so hurt inside, feel so hurt inside, got to find the reason What are we supposed to
do
After all that we've been through
When everything that felt so right is wrong
Now that the love is gone?
There is nothing left to prove
No use to deny this simple truth
Can't find the reason to keep holding on
Now that the love is gone, love is gone Got to find a reason, got to find a reason,
Got to find a reason to hold! Love, there's nothing left for us to say, yeah!
Love, why can't we turn and walk away? What are we supposed to do
After all that we've been through
When everything that felt so right is wrong
Now that the love is gone?
There is nothing left to prove
No use to deny this simple truth
Can't find the reason to keep holding on
Now that the love is gone, love is gone Love is gone!
