

Baby Come on Over

[Samantha Mumba](#)

Baby come on over tonight
We can make it all right
Take a piece of my heart
And go from the start You say that you want me again and again
You say that you need me to be more than just your friend
So I thought about it and maybe you're right
I've been checking your records and they seem all right Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right
Boy there's no one like you, do you feel it too So we get together if just for a while
Let's make it happen, don't waste any time
And now I need to find out, what you're about
So come over tonight, let's sort this out Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right
Boy there's no one like you, do you feel it too Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right
Boy there's no one like you, do you feel it too Baby come on over, baby come over tonight
Baby come over, baby come on over tonight
Baby come on over, baby come on over tonight
Baby come on over, baby come on over tonight Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right
Boy there's no one like you, do you feel it too Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right
Boy there's no one like you, do you feel it too
