

Howl

The Family Crest

State your name
State your case
'Cause the lines were drawn
Do you love me, babe? Now you say,
 Lover stay
 Warm these bones my dear
Light my heart afire! I know you never mean to say
 All of the awful things you say
 But oh God, the reason is yours
 Oh God, the reason was yours
You smile I howl to the moon, to the stars
 To the way that we were
 Howl to the moon, to the stars
 When the weight of the world
Is just too much for you Now I wait
 As love and fate
 Echo from your lungs
Do you want me, babe? Here you state
 That a storm is waiting dear
 Turn the lights down low
'Cause one of us is surely gone I know you never meant to stay
 I know love
 we weren't meant to be
 I know you never meant to go
 break my heart of gold
 But oh God, the reason is yours
 Oh God, the reasons are yours
tonight we're smiling Forever lost together
 Forever howling at the moon
'Cause it's just too much for you
 Forever lost together
 Forever howling at the moon
When it's just too much for you I'm gonna kiss, gonna kiss,
 gonna kiss your lips
I'm gonna make sure dear that
 my love sticks
I'm gonna shake, gonna shake,
 gonna shake your legs
I'm gonna make make make

make make you beg I'm gonna make sure that
your heart is true
I'm gonna say here,
"Darling, I love you!"
I'm gonna make sure that
you love me too
Do you love me dear?
Do you love me here? I'm gonna break break break
break you dear
I'm gonna shake
shake up all your fears
I'm gonna take
take you down my dear
Do you love me dear?
Do you love me dear? I'm gonna make
make you love me dear
I'm gonna break
break you down my dear
Tonight I'll smile You'll howl to the moon, to the stars
To the way that we were
'Cause it's just too much for you Forever lost together
Forever howling at the moon
'Cause it's just too much for you Forever lost together
Forever howling at the moon
'Cause it's just too much for you
