Sumerian Script

Sorcerer

5000 years ago in the beginning
In the cradle of the world
Symbols carved in clay, a holy token
Hidden in a secret caveWhat have we done, evil is rising
And now we're on the path of doom
Disturbing the power balance,
interpreting the signsThey are written in Sumerian script
We see the world collapse, chaos and panic
The fear is mirrored in our eyes
We've opened up a crack to a dark dimension
Mankind will fall down on its kneesWhat have we done, evil is rising
And now we're on the path of doom
Disturbing the power balance
interpreting the signs
They were written in Sumerian script
In the cradle of the world...
Symbols carved in clay...
We see the world collapse...
Chaos and panic...
The fear is mirrored in our eyes
We've opened up a crack to a dark dimension
We've opened up a crack in the sky
Disturbing the power balanceDisturbing the power balance
interpreting the signs
