Give It All

Advisory - the following lyrics contain explicit language:

Taken away on a ride not far from here
Well, no wastin' time, she's got plans for me
She came behind and then showed me her thighs
You know what I mean
Well, no way to say she could win the likes of me, the likes of meShe said, "I'd like to wear you out
And give it all to you, I'll find a reason now
Just give it all, just give it all"And I want to give you all my love tonight
(Give it all)
Just give a sign to me, I'll make it right
(Give it all)A fashion plate in a way, she really was
She had style and class, understand she'll pay to dance
She moved my soul, don't you know she's here to please
But I'm on my knees, can't you see, move in on me, move in on meShe said, "I'd like to wear you out
And give it all to you, I'll find a reason now
Just give it all, just give it all"Give it all
(Give it all)
Give it all
(Give it all)I said, "Give it all"
(Give it all)
Give it all
(Give it all)
HeyAnd I want to give you all my love tonight
(Give it all)
Just give a sign to me, I'll make it right
(Give it all, give it all)
