

# calling all cars

## Sixtoo

Calling all cars we've got another victim  
'Cause my love has become an affliction  
What did you expect from me?  
What did you expect from me? I'm sorry but think I got to mention  
That I lied at my very first confession  
What did you expect from me?  
What did you expect from me? 'Cause this has been building since I have been breathing  
And I know how it's going to end So will you scatter my ashes where they won't be found?  
I kept my word when I swore that I would let you down  
And now that I'm gone, try to forget me and just move on So will you scatter my ashes where they won't be found?  
I kept my word and you hate me for it now  
But you knew all along, try to forget me and just move on Oh, my dear what have I gone and done now?  
It's curtain call, I'm about to take my last bow  
What did you expect from me?  
What did you expect from me? Without giving away the entire ending  
I ruined the evening again So will you scatter my ashes where they won't be found?  
I kept my word when I swore that I would let you down  
And now that I'm gone, try to forget me and just move on So will you scatter my ashes where they won't be found?  
I kept my word and you hate me for it now  
But you knew all along, try to forget me and just move on I don't have love left inside, inside  
And I don't have love left inside, inside Are you desperate for an answer?  
I don't have an ounce of good left in me now  
That's why I walked out So will you scatter my ashes where they won't be found?  
I kept my word when I swore that I would let you down  
And now that I'm gone, try to forget me and just move on So will you scatter my ashes where they won't be found?  
I kept my word and you hate me for it now  
You hate me for it now, try to forget me and just move on I am not the one that you should blame  
So take what I left you for the pain  
I am not the one that you should blame  
So take what I left you for the pain  
And do your best to forget my name
