Lulls

Jasmine Ash

Far as we go into our hearts
All of the lessons we have lost
Everyone goes into their lulls
All these windows closing doors
Oooh oooh oooh oooh
Everyone goes by what theyâ€™ve got
Weâ€™re so in love with what weâ€™ve lost
Everyone goes into their lulls
All these windows open doors
Holding out, holding out, holding out, holding out
Oooh oooh oooh oooh
Life gets interrupted
So hang onto me, one chance to escape
One moment to breath, itâ€™s never too late
Oooh oooh oooh oooh
Far as we go into our hearts
All of the lessons we have lost
Everyone goes into their lulls
Holding out
Oooh oooh oooh oooh
Life gets interrupted
Life gets interrupted
Life gets interrupted
Ahhhhh
Ahhhhh
