

Love Is a Losing Game

[Amy Winehouse](#)

For you I was the flame
Love is a losing game
Five story fire as you came
Love is losing game One I wished, I never played
Oh, what a mess we made
And now the final frame
Love is a losing game Played out by the band
Love is a losing hand
More than I could stand
Love is a losing hand Self-professed profound
Till the chips were down
Know you're a gambling man
Love is a losing hand Though I battled blind
Love is a fate resigned
Memories mar my mind
Love is a fate resigned Over futile odds
And laughed at by the gods
And now the final frame
Love is a losing game
