

Something About the Way You Look Tonight

Elton John

There was a time
I was everything and nothing all in one
When you found me
I was feeling like a cloud across the sun I need to tell you
How you light up every second of the day
But in the moonlight
You just shine like a beacon on the bay And I can't explain
But it's something about the way you look tonight
Takes my breath away
It's that feeling I get about you, deep inside
And I can't describe
But it's something about the way you look tonight
Takes my breath away
The way you look tonight With your smile
You pull the deepest secrets from my heart
In all honesty
I'm speechless and I don't know where to start
