Antinature

Antinature
From the future
We singGo to the Highlands
And put a bomb underneath a mountain
Sweet little creatures
Eat, sleep, shit the day awayI won't be at the mercy of myself
In every country
A million raging ids
Wage a war for the control
Of our unhappy kidsDo you want to go back
Into the cold, into the darkness?
We will win
You can do anything.
Antinature
Nuclear power?
Yes please
