Longer

Lydia Loveless

You're tired of me hangin' around
Looking like I just lost a friend
Well, if I did, you don't know who
He goes to another schoolAround 11AM
Burn the breakfast again
Well, I don't know what I was doin'
Something that I saw on TV, it's true
I need to get a clue, it's true
I need to get a clue
Give me just a little bit longer to get over you
Give me just a little bit longer to get over youSitting in the dark
Talking about my plans
To anyone who can hear
Over this shitty Indianapolis bandMaybe I should move away
Cause I don't know why I stay
Well, it's more than I can sustain
I want to wake up everyday with you
But I need to get a clue, it's true
I need to get a clueGive me just a little bit longer to get over you
Give me just a little bit longer to get over youGive me just a little bit longer to get over you x4
