## Lagwagon

Advisory - the following lyrics contain explicit language:

I am just another fool and I have to keep telling myself  
That I am just an hypocrite and I have to keep calling you one

'Cause I forgot to bite my tongue

And my assumption is the mother of all mistakes

As I assume the role

Open my mouth

And clumsy words escape

Chorus:

So why you want to be there

When you could be here

You are slipping away

I awake with your replacement

A bottle in my grasp

In a unfamiliar place

Because you put me out

The butt of a sick joke

Into this ashtray life

As you come and go

'Cause I forgot to service you

And we broke down

And you can't live with my mistakes

So I assume false grace

Open my arms

And grasp at something true

Chorus

How are you

How have you been

Girl I miss you

Wanna see you again

Repeat chorus

I bring out the worst in you

And you try to let me know

You bring out the worst in me  
Anxiety I'm trying to let you go  
You say I'm giving you the creeps  
So I assume the role  
Open my claws  
And grasp for your heart  
Repeat chorus  
Into you  
Like a mortal stake  
So vindictive  
Your love's slipping away  
Violins Violence  
The butt of your sick joke  
Into this ashtray life  
I'm trying hard to let you go
