Rock 'n Roll Animals

Luke Haines

The time clock, it's seems like middnight
Magic place that work untells
The good fox sit by the fire side
Telling stories by the flames
Ooh
All about the rhythm line
It's turn in chanting lines
Where the animals ...
The rock and roll animals
The rock and roll animals
Make the .and .the cat
And there's a cut road
In the head drow...
He's a slie wood, his a .know's me a bad boy
From Hersham village he's a punk rock dog
The rock and roll animals
The rock and roll animals
That... is a real hep cat
My mom sais that the spring it's in the air
And everyone... they .like rabbits
The toe want's to ...like rabbits, at it like rabbits
Don't matter how .here they are
When I was born here I don't remember but .you're in my blood
Blood, blood, bloddy like the fox
Ooh, ooh, ooh, ooh, ooh
The rock and roll animals
The rock and roll animals yeah
The rock and roll animals ooh
The rock and roll animals yeh
The rock and roll animals ooh
The rock and roll animals yeh
The rock and roll animals ooh
The rock and roll animals yeh
The rock and roll animals ooh
The rock and roll animals yeh
The rock and roll animals ooh
The rock and roll animals yeh
The rock and roll animals ooh
The rock and roll animals yeh
The rock and roll animals ooh
The rock and roll animals yeh

The rock and roll animals ooh
The rock and roll animals yeh
