Time For Livin'

Sly & The Family Stone

Time for livin', time for givin'
No time for makin' up a monster to share
Time for livin', time for givin'
No time for breakin' our own fairy taleAin't, ain't, ain't nobody's got to spell it for me
Ain't nobody got it yet I can see
Ain't nobody got the thing I can hear
But if I have to I will yell in your earTime for livin', time for givin'
No time for runnin' over anyone
Let's share time for livin', time for givin'
No time for passin', done the funAin't nobody's got to spell it for me
Ain't nobody got it yet I can see
Ain't nobody got the thing I can hear
Don't you, don't you, don't you, yell in my earTime for changin', re-arrangin'
No time for peace, just pass the buck
Rearrangin', leader's changin'
Pretty soon he might not give a damnAin't nobody's got to spell it for me
Ain't nobody got it yet I can see
Ain't nobody got the thing I can hear
But if I have to I will yell in your earTime's a changin', rearrangin'
Time's a changin', rearrangin'
Time's a changin', rearrangin'
Time's a changin', rearrangin'
Time rearrangin', time rearrangin'Time's a changin', rearrangin'
Time's a changin', rearrangin'
Time's a changin', rearrangin'
