

# The Machine

## Hawkwind

I, I just took a ride in a silver machine  
And I'm still feeling mean Do you want to ride  
See yourself going by  
The other side of the sky  
I've got a silver machine It flies  
Sideways through time  
It's an electric line  
To your zodiac sign I've got a silver machine  
I've got a silver machine  
I've got a silver machine It flies out of a dream  
It's antiseptically clean  
You're gonna know where I've been Do you want to ride  
See yourself going by  
The other side of the sky  
I've got a silver machine I said I just took a ride  
In a silver machine  
And I'm still feeling mean  
It flies  
Sideways through time  
It's an electric line  
To your zodiac sign I've got a silver machine  
I've got a silver machine  
I've got a silver machine  
I've got a silver machine  
I've got a silver machine  
I've got a silver machine  
I've got a silver machine  
I've got a silver machine  
I've got a silver machine
