

I Still Believe In Santa Claus

New Kids On The Block

I still believe in Santa Claus
Maybe that's just because I'm still a child at heart
And I still believe in Old St. Nick
But then again maybe that's the trick we need
We need to retreat to a world of make believe
Let's make this Christmas last forever
Shine a little love along the way
For the sake of all children let love show us the way
I still believe in Santa Claus
Maybe that's just because I'm still a child at heart
And I still believe in Old St. Nick
But then again maybe that's the trick we need
We need to retreat to a world of make believe
This time of year is for the giving
This time of year is for the joy
May joy and happiness be with you always this day
I still believe in Santa Claus
Maybe that's just because I'm still a child at heart
And I still believe in Old St. Nick
But then again maybe that's the trick we need
We need to retreat to a world of make believe
