

# Haul Your Ashes

[Azure Marl Void](#)

Take a look at that fly as heâ€™s caught in that light.â€” Will she suck him up dry?â€” Weâ€™ll watch him struggle tonight.  
Babe, youâ€™ll save me from this hell?â€” "Yes, well..."â€” Hey you'd save me from this cell?â€” "Yes, well..."â€” Hey you  
left me in diesel.â€” "Yes, well..."â€” Caught inside of her web sheâ€™ slowly cuts him in two.â€” He moves and feels  
nothing else.â€” She drains him until sheâ€™s through.â€” Babe, youâ€™ll save me from this hell?â€” "Yes, well..."â€” Hey  
save me from this cell?â€” "Yes, well..."â€” Hey you left me in diesel.â€” "Yes, well... Yeah."â€”
