Closure

Owl Eyes

Verse 1:
Always on my mind,
Always on my mind
I have to stop,
If I could just find a reason too
Tell me now,
A waste of my time
A waste of my time
When I get caught
Sleep walking
To your door,

Chorus:
Do not fear me
I was just talking
I was just talking
To myself
And my mind still wants closure
Closure
This voice you hear
I was just walking
I was just walking
On my own
Cos my heart still longs for closure
Closure

Verse 2:
I'll take it from here
I'll take it from here
It's all my fault
I left the water running
Far too long
I'm sorry your near
I'm sorry my dear
Don't be alarmed
When I wonder in my mind

Chorus:
Do not fear me

I was just talking
I was just talking
To myself
And my mind still wants closure
Closure
This voice you hear
I was just walking
I was just walking
On my own
Cos my heart still longs for closure
Closure

Verse 3:
I walk this world
And I wonder on my own
Don't stop this now
They will haunt ___

Chorus:
Do not fear me
I was just talking
I was just talking
To myself
And my mind still wants closure
Closure
This voice you hear
I was just walking
I was just walking
On my own
Cos my heart still longs for closure
Closure
Closure on these long nights
Nights nights
