

Didn't Know

Michelle Williams

Verse 1:

Woke up this mornin'
And the sun was shinin'
Hey I feel so good now
No more worries on my mind
I've been just smilin'
Feelin' your love around me
Havin' you right beside me
All my problems pass me byChorus:
Didn't know I'd be so happy
Didn't know I'd be so free
Didn't know your love could change me
I live in total victory
So many people tried to hurt me
They didn't know that it would help me
Because of you, I'm much better
I didn't know, I didn't knowVerse 2:
I feel so free
Can do anything
Loosed from people that were holding me
I can see clearly now
Tears so full of joy
No need to let them near me
No more compromise
No hurting me or deceiving me ohCHORUSBridge:
Now my world is free from guilt and pain
For you I turned in my broken heartCHORUS
