

# The Only Way (Hymn)

Emerson, Lake & Palmer

People are stirred  
Moved by the word  
Kneel at the shrine  
Deceived by the wine How was the earth conceived?  
Infinite space  
Is there such a place?  
You must believe in the human race Can you believe  
God makes you breathe?  
Why did he lose  
Six million Jews? Touched by the wings  
Fierce angel brings  
Sad winter storm  
Grey autumn dawn Who looks on life itself?  
Who lights your way?  
Only you can say  
How can you just obey? Don't need the word  
Now that you've heard  
Don't be afraid  
Man is man-made And when the hour comes  
Don't turn away  
Face the light of day  
And do it your way  
It's the only way
