

Legend

Parus

He wants to be, he wants to be, with everything under the sun
He wants to be, he wants to be, with everything under the sun
And like a legend that rises and then falls I cannot be his only one
He makes me feel, he makes me feel, like you used to, (whoa) like you used to
He makes me feel, he makes me feel, like you used to, (whoa) like you used to
And like a fickle flower when it first sees the light I cannot show just how I fight
And like a fickle flower when it first sees the light I cannot show just how I fight
Babe I saw you walking, it was after midnight
Carrying nothing except for a flashlight
You wanted to be Romeo so low at my window

You wanted to be Romeo so low at my window
Will you open the door for me if you believe in chivalry
Will you open the door for me if you believe in chivalry
For I do not think you low though you bow to me so-so
I do not think you low though you bow to me so-so
I know you want to drink from the purest wine
But the drink is far more sour then you would ever think
He wants to be, he wants to be with everything under the sun
And she wants to burn, she wants to burn hot like that sun, (whoa) hot like that sun
Just like a legend that rises and then falls I cannot be his only one
And like a callous, cold, callous woman she'll never know what she did done
So like this legend that rises and then falls I'll never be his only one
