

# I'm Doing Everything (For You)

## The Rocket Summer

D-d-do you ever do a thing or two just to wait  
When you don't have a thing to say  
I'll try to take this slow but I don't know I d-d-don't wanna wait for time to look for the folks who try to say  
That we don't know until we're old 'cause that's how it goes  
But I think I know, oh, oh, oh, oh Please pick me I'm a terrible mess  
You know I just can't help it and I just gotta confess  
You do what you do and I can't ever rest So still I'm gonna do everything  
I'm gonna make it right, I'm gonna make it good  
I'm gonna do it alright, I'm gonna write it down  
I'm gonna make a sound, sound yeah 'Cause I'm doing everything for you, 'cause I love to be near to you  
Something just takes me away to a place where I'm happy  
'Cause I'm doing everything for you, yeah you know that I adore you  
Oh, and I just can't take it anymore Oh! Oh! you know I gotta know, yeah, oh no So I'll be making up things for  
you to see  
Like romantic lights surrounding Italy  
'Cause you deserve the very best, and I'll never rest  
So I'll be sure to pass that test And I just smile and say whoa 'cause you just gotta know  
That every time you stay it never goes away  
It reaches to the stars and shines right through the clouds  
And lights up this whole world Bless your heart you've made me happy again  
It's been so long and I'm sick of pretending  
You've enlighten the brain in my head So still I'm gonna do everything  
I'm gonna make it right, I'm gonna make it good  
I'm gonna do it alright, I'm gonna write it down  
I'm gonna make a sound, sound yeah 'Cause I'm doing everything for you, 'cause I love to be near you  
Something just takes me away to a place where I'm happy  
'Cause I'm doing everything for you, yeah, you know that I adore you  
Oh, and I just can't take it 'Cause I don't wanna wait for another day 'cause I can feel this is right  
I don't wanna make this go on for too much longer  
'Cause you've got a ring-less finger and I could go buy a ring right now  
Well, actually I don't have money but that's okay  
'Cause I can figure it out I'm doing everything for you, 'cause I love to be near you  
Something just takes me away to a place where I'm happy  
'Cause I'm doing everything for you, yeah you know that I adore you  
Oh, and I just can't take it anymore Yeah, yeah, yeah, oh, no, no, no  
'Cause I'm doing everything for you  
Yeah, you know I'm doing everything, yeah
