

# Walkin With My Angel

## Herman's Hermits

Ain't no guy in town  
Who would ever try to put me down  
When I'm walkin' walkin' with my angel, whoa-uh-oh

'cause every guy I see  
Is a-wishin' that-a he were me  
When I'm walkin' walkin' with my angel (angel)

a-when we're strollin' hand in hand  
I'm as happy as can be  
Aww, she's the prettiest girl in town  
And everyone can see she belongs to me

Well I feel so proud  
It's as good as walkin' on a cloud  
When I'm walkin' walkin' with my angel

Aww, when we're strollin' hand in hand  
I'm as happy as can be  
'cause she's the prettiest girl in town  
And everyone can see she belongs to me

Well I feel so proud  
It's as good as walkin' on a cloud  
When I'm walkin' walkin' with my angel

Aww, when I'm walkin' walkin' with my angel

FADE

Yeah, when I'm walkin' walkin' with my angel
