

# Good One

Glenn Lewis

Said i know (i got)  
Said i know (i got)  
i got me a good one x4  
Whenever i need ya, your always there.  
Your even there those times i didn't even know your there  
And whenever i call, girl you answer  
Damn girl your so good i think you could be the cure to cancer  
Sometimes i cant believe that he sent you to me -oh-  
I get this feeling i never had -my soul-  
As sure as the sky holds the sun  
Said i know i got me  
I got me a good one  
So baby whenever you need me  
Dont hesitate to call

Cause im your friend  
When you feel you got no friends at all  
You can lay your head on my shoulder  
You can tell me all about it  
And when were done talkin  
We can make love all around  
Sometimes i cant believe that he sent you to me -oh-  
I get this feeling i never had -my soul-  
As sure as the sky holds the sun  
Said i know i got me  
i got me a good one  
Said i know (i got)  
Said i know (i got)  
i got me a good one x8
