Delicate Soul

Tamar Kaprelian

Tell me you love me, a million times over and over,
And tell me you need me, like never before, that you're breathless without me,
And baby the distance, oh the resistance, that comes along the way,
Leave it behind you, just leave it inside you, I don't want to feel us letting go.I might break, you might hurt me, more than you know,
And though, I don't show it, I'm thinking about it, so do we go,
My minds made up about you, when I can't go on without you, by my side, you're part of my life,
But please, please be gentle with me baby,
I'm a delicate soul. Ohh I'm a delicate soul, Ohh ohh ohh ohh.Now tell me you want me, every night, every second of every day,
And found that you never, been this way, before,
And honey I'll trust it, it's always found this, flawless in every form,
But people will spite you, try to invite you, away from what is really home.I might break, you might hurt me, more than you know,
And though, I don't show it, I'm thinking about it, so do we go,
My minds made up about you, when I can't go on without you, by my side, you're part of my life,
But please, please be gentle with me baby, I'm a delicate soul, Ohh I'm a delicate soul.And I hope, that we'll always strive for better.
And I know ohh ohh ohh, that you're there,
And if life, life just doesn't seem forgiving, be patient if I...It might hurt me, more than you know,
And though, I don't show it, I'm thinking about it, so do we go,
My minds made up about you, when I can't go on without you, by my side, you're part of my life,
But please, please be gentle with me baby, I'm a delicate soul, Ohh I'm a delicate soul, Ohh ohh ohh ohh ohh.
