No Excuses

Terry Hunter

It's alright there comes a time
Got no patience to search for peace of mind
Layin' low want to take it slow
No more hiding or disguising truths I've soldEveryday it's something
Hits me all so cold
Y'find me sittin' by myself
No excuses, then I knowIt's okay had a bad day
Hands are bruised from breaking rocks all day
Drained and blue I bleed for you
You think it's funny, well you're drowning in it tooEveryday it's something
Hits me all so cold
Y'find me sittin' by myself
No excuses, then I knowYeah, it's fine we'll walk down the line
Leave our rain, a cold trade for warm sunshine
You my friend I will defend
And if we change, well I love you anywayEveryday it's something
Hits me all so cold
Y'find me sittin' by myself
No excuses, then I know
