It Was You

James Brown

It was you
You made me love you
It was you
You made me need you
Darling darling
You made me
You made me love you
Yes you didIt was you
You made me need you
It was you
I'll never I'll never be seein' you
Darling darling
You made me you made me you made me love youYou know I love you
You know I care
Darling darling
You made me you made me you made me love youYou know I love you
You know I care
Darling darling darling darling
You made me love you
Yes you did
Yes you did
Hey baby hey baby
It was you who made me love you
Hey baby
Darling
It was you
It was you darling
