

Old Love (Eric Clapton Cover wiht Brad Paisley)

[John Mayer](#)

I can feel your body
When I'm lying in my bed
There's too much confusion
Running 'round through my headIt's making me so angry
To know that the flame will always burn
When will I get over?
When will I ever learn, ever learn?Old love, leave me alone
Old love, go on homeI can see your face
But I know that it's not real
Just an illusion caused by
How I used to feelAnd it's making me so angry
Knowing the flame will always burn
When will I get over?
Come on, when will I ever learn?Old love, leave me alone
Old love, go on homeOld love, love
Old love, old love
