

# Tell Me

## Soja

From the very first  
Time I saw you  
I feel my old life  
and it was all new  
I felt my knees get weak  
My heart went crazy  
I felt some yes & no,  
I even felt some maybes  
I'd climb a mountain top,  
I'd swim the ocean, too  
Get down o my knees,
