The Great Betrayer

Cherri Bomb

Yeah!
Count me in
I am your accomplice
Let's make plans
Nothing can stop us
(Doo doo doo)
Another day's work
(Doo doo doo)
How much can it hurt
You go first I'll follow behind ya
Don't turn 'round
I got your back now
(Doo doo doo)
It's only good sense
(Doo doo doo)
But at who's expense!Who's the fool
You think that your cool
I'm not givin' up on my way to the top
(Way to the top)Feed fire with fuel
You are my tool now
Who's the and the player
I am The Great BetrayerI am the Great BetrayerThink it through
You want so much to trust me
Criminal science is vicious but hungry
(Doo doo doo)
I am just what you need
(Doo doo doo)
'Til I leave you to bleed!Who's the fool
You think that your cool
I'm not givin' up on my way to the top
(Way to the top)Feed fire with fuel
You are my tool now
Who's the and the player
I am The Great Betrayer(Na na na na na na
Na na na na na na)A lesson or two would be good for you
But it's too late in the game
Is what oh I blame
Believe that I am
Your right hand man

'Cause we're here for the attack
Now who's got your backWho's the fool
You think that your cool
I'm not givin' up
I'm on my way to the top
Yeah!Who's the fool
You think that your cool
I'm not givin' up on my way to the top
(Way to the top)Feed fire with fuel
You are my tool now
Who's the and the player
I am The Great BetrayerWho's the fool
(I am the Great Betrayer)
When you think that your cool
(I am the great betrayer)
Oh who's the fool
(I am the great betrayer)
Yeah, yeah
I am the great betrayer.
