## Flesh-N-Bone

A thugsta just like me, come follow me  
Journey off in my world, all boys and girls  
Welcome to the land of T.H.U.G.S.  
It's the start of a new millenium  
And we on a mission, rappin', makin' money  
Made me put away the drugs, all right, I love my life  
When I put it down, I'm so cold, so come up, take note  
'This Trues Humbly United Gatherin' Souls'  
You don't wanna miss the boat, or you float  
The nation coast to coast(We're keepin' the)

Anyone think that they man enough?  
Stand up for the face off, gonna get ran over  
My feelings never show you mercy  
And I been known to swang  
Always down for the thugs and I put in work
