One For The Road

Arctic Monkeys

One for the road
One for the roadFrom the bottom of your heart
The relegation zone
I saw this coming from the start
The shake rattle and roll
The cracks in blackout blinds cast patterns on the ceiling
But you're feeling fine
I thought it was dark outside
I thought it was dark outsideSo we all go back to yours and you sit and talk to me on the floor
There's no need to show me round baby
I feel like I've been here before
I've been wondering whether later, when you tell everybody to go
Will you pour me one for the road?I knew this would be on the cards
I knew you wouldn't fold
I saw this coming from the start
The shake rattle and rollSo we all go back to yours and you sit and talk to me on the floor
There's no need to show me round baby
I feel like I've been here before
I've been wondering whether later, when you tell everybody to go
Will you pour me one for the road?The mixture hits you hard
Don't get that sinking feeling
Don't fall apart
Some out of tune guitar
Soundtrack to disasterOne for the road
One for the road
One for the road
One for the roadSo we all go back to yours and you sit and talk to me on the floor
There's no need to show me round baby
I feel like I've been here before
I've been wondering whether later, when you tell everybody to go
Will you pour me one for the road?
