Iceolate (12" extended mix)

Front Line Assembly

Burning from the inside
Working on the ground
Iceolate the problem
Don't let life bring you down
Seeing through the eyes of evil
Confusion takes a hold
Ignorance the sign of times
The lessons to be learned
Chorus:
Fight back
Bring down the fear
No control
All systems clear
Fight back
Bring down the fear
No control
All systems clear
masked killers rule the street
Victims all the same
Authorized by society
Misrule rules the world
Here for certain ?
pain will be a trend
Indifference to the difference
They'll never end
Bringing down the enemy
You've got to break those chains
You've got to fear our soul
Systems got to change
Fight back
Bring down the fear
No control
All systems clear
Fight back
Bring down the fear
Iceolate, iceolate
Your bodies [?] will stain the world
Stricken with grief
Inferior conscience violates

Mutilates the mind
[Chorus]
Fight back
Bring down the fear
No control
All systems clear
Iceolate, iceolate
Iceolate, iceolate
"to ya"
