

Call It a Spade

Monster Truck

Baby dry your tears
No need for crying any more
I'll break her heart, just like i broke yours
You know i got ot be straight
No sense in wasting you time
i'm a travelling man, beside these highway linesI never knew much about love
I never knew much about loving right, yeah
I never knew knew much about loving right, baby
About loving right baby, ohh
I'm in a brand new town
almost every night
Yeah, i've been paying my dues
Beneath the dim bar lights
You know the days areso long
And them nights are so cruel
But i just aint good enough for that
I can't stay true to you, no noI never knew much about love
I never knew much about loving right, yeah
I never knew much about loving right, baby
Yeah yeahUh uh uh oh yeah
Well well well well, alrightI'll tell ya
What we're gonna do here is give you a little bit of guitar
Baby dry your tears
No need for crying any more
I'll break her heart, just like i broke yours, yeahI never knew much about love
I never knew much about loving right, yeah
I never knew much about love
I never knew much about loving right, baby
Yeah yeahBaby
