

Tunnel of Love

Kiss

Well if you're lookin' for the best
Then baby be my guest
I'm right before your eyes
I'm tellin' you no lies You wanted my disease
You'll have to do as I please
You'll jump off the roof if I say
I won't let you get away It must have been the devil in me
I don't know what else it could be Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love
I've got to visit your tunnel of love You're just a victim less crime
It happens all the time, yeah
You'll have an overstay
And your bill is my pay You are the lock, I am the key
You know what you do to me Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love
I've got to visit your tunnel of love You are the lock, I am the key
You know what you do to me Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love
I've got to visit your tunnel of love Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love
I've got to visit your tunnel of love Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love
I've got to visit your tunnel of love Tunnel of love, tunnel of love
