Letâ€™s Get High

Lil Debbie

What the fuck do you want?
You guys wanna buy some chronic?
Wake up, bake up, just got a pound, get your weight up
Wait up, hold up, stay turnt up, finna burn up
Broke a gram down, bitch turnt up
Cause I be full of Swishers when I roll up
Two blunts, full price, 'bout to go up
Live every day like its 4/20, smoke up
Bitch I've been toking, I smoke like a pro
Got love in these streets, get my shit for the low
My connect is your connects, connects, I'm connected
My blunt hittin' art, my every breathe is perfected, now bitch
Burn a muthafuckin' house down, got my shit from Humboldt
Took us out back, four plus, three bitches, two bottle, one flame, it's a count down
Now let's get high
Let's get high

All my bitches, let's get high
