Meet Me By The Water

Rachael Yamagata

Would you please meet me by the water, baby?
We'll have a really good time
Would you please meet me by the water, baby?
'Cause I can't get you off of my mindI've been thinking everyday about you
Don't fit anywhere into my life, but that's okay
'Cause I think I might be right for you
And because of that, I'm not scared at all
And everyone says I'm crazy
And everyone says I'm a fool
Would you meet me by the water tonight?
'Cause I'm ready to break all the rulesPlease don't leave me standing with my heart in my hand
I can't last here
I'm breaking down, and no one understands why I got here
But I knew from the very first moment that I met you
You'd be the oneWould you meet me by the water tonight?
Would you please fall asleep holding my hand?
'Cause I've got everything in store for you, baby
If you'll be my man
