

# Gang

## Swans

cut out the infection  
beat up the violator  
gag him  
then screw him down  
hammer the nail [x4]  
knock him down  
murder his influence  
cut off his deception  
rape his memory  
hammer the nail [x4]

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
