It's not the way it's supposed to be but you'll regret it!
You wanna bet it!
Setting this golden goose free!Chorus:
My love, where did we go wrong?
I wonder who's in your arms? especially because you did me wrong. You know sad songs are the best songs you don't have to wonder how it's gonna end.

Gave back my key because you seem to have so many. Did you know this, the wrong one was given to me...With the initials "L.M."

My love, where did we go wrong?
I wonder who's in your arms? especially because you did me wrong. You know sad songs are the best songs you don't have to wonder how it's gonna end.
