

Splinter

Gary Numan

I believe in the cruelty of life
I believe in all of the hopeless and lost, I see you
I believe in the shamed, the faithless like me
And I believe everything falls through the greed of man I see you
I see you Do you believe in the beauty of love?
Or that heaven is vengeance disguised, He sees you
Do you believe we will pay for our sins?
And I believe everything's learned from the scars of man I see you
I see you Life isn't everything
Life isn't everything
Life isn't everything
Life isn't everything I don't believe in the calling of God
And I don't believe a word of The Word is true, I see you
I don't believe in the goodness of people like me
And I believe everything bleeds from the fear of man I see you
I see you
