

Well Enough Alone

[Chevelle](#)

Walk down the realm
Hint to no one that this
Generic bond exists
Evil shows another side And like before, makes no sense
Never coming, always leaving
Right before hooked on substance
Dig in deeper, can't reveal Why we leave?
Well enough alone
Never thought about the shame So fed up, what's with the scenes?
Observe and leave instead
This pity wagon penetrates my skin
So sensitive, makes me sick And like before, makes no sense
Never coming, always leaving
Right before hooked on substance
Dig in deeper, can't reveal Why we leave?
Well enough alone
Never thought about the shame The old and the aged
Pulled, never knew what hit
The old and the aged
Pulled, never knew what hit And like before, makes no sense
Never coming, always leaving
Right before hooked on substance
Dig in deeper, can't reveal Why we leave?
Well enough alone
Never thought about the shame Why we leave?
Well enough alone
Never thought about the shame
