Well Enough Alone

Chevelle

Walk down the realm Hint to no one that this Generic bond exists Evil shows another sideAnd like before, makes no sense Never coming, always leaving Right before hooked on substance Dig in deeper, can't revealWhy we leave? Well enough alone Never thought about the shameSo fed up, what's with the scenes?

Observe and leave instead

This pity wagon penetrates my skin So sensitive, makes me sickAnd like before, makes no sense

Never coming, always leaving

Right before hooked on substance Dig in deeper, can't revealWhy we leave?

Well enough alone

Never thought about the shameThe old and the aged

Pulled, never knew what hit

The old and the aged

Pulled, never knew what hitAnd like before, makes no sense

Never coming, always leaving

Right before hooked on substance

Dig in deeper, can't revealWhy we leave?

Well enough alone

Never thought about the shameWhy we leave?

Well enough alone

Never thought about the shame
