

I Just Wanna Have Sex With You

The Arrogant Sons Of Bitches

I don't like the way you cook
I just like the way you look
All you do is bother me
But I really want your body
I don't know what I wanna do
I just wanna have sex with you! Whoa-oh-oh-oh-oh!
I don't like the way you cook
I just like the way you look
Your beliefs really hurt my head
but all I think about is getting you in bed.
