

# True Love

## Lions Head

I remember leaves  
Flying through the breeze  
And the tickles  
Just to tease  
Walking through the door  
rolling on the floor  
never seen passion like this before  
That's when she turned to look at me  
That's when she said the craziest thing  
True love is the Greatest  
Don't wanna make a scene  
Whatever do you mean?  
I was kinda looking for an inbetween  
Don't wanna meet your folks  
That was just a joke  
Now I guess I'm sliding down that slope  
If you love me, hug me  
So you're always thinking of me  
Don't have another tear to shed  
find another man  
he can make a heel a head  
Wah-wah they've been running over town  
Wah-wah screaming look at what I've found  
True love is the greatest  
True love is the greatest  
True love is the greatest  
and you're the fakest thing I've ever seen  
you're the fakest thing I've ever seen  
I just can't wait to take her on a date  
I feel so lucky, could it be fate?  
From the window to the wall  
sweating for her call  
trying to relax, but i can't at all  
lets do it in Vegas  
your daddy will hate us  
i try to calm down  
but now I'm not around  
she goes out with other guys in town  
it's not a way to cope

she thought i must've known  
funny how i never noticed though  
    if i'm so needy  
    then leave me  
    cause loving you ain't easy  
    Don't have another tear to shed  
        find another man  
    You can fall in love again  
    True love is the greatest  
    True love is the greatest  
    True love is the greatest  
    and you're the fakest thing I've ever seen  
    Wah-wah they've been running over town  
    Wah-wah screaming look at what I've found  
        True  
        Love  
    True (True love is the greatest)  
        Love  
    True (True love is the greatest)  
        True love is the greatest  
        True love is the greatest  
        True love is the greatest  
    and you're the fakest thing I've ever seen  
        you're the fakest thing I've ever seen  
        you're the fakest thing I've ever seen
